

Workshop on Biomolecules and Nanostructures 4

Polonia Castle, Pułtusk, Poland

May 15-19, 2013

<http://www.nanofun.edu.pl/bionano4/>

ORGANIZER

Institute of Physics, Polish Academy of Sciences
under the auspices of the
National Multidisciplinary Laboratory of Functional Nanomaterials – NanoFun,
financed by Innovative Economy Operational Programme 2.2
and the Division of Physics in Life Sciences of the European Physical Society

WORKSHOP TOPICS

biomolecules
nanostructures
nanomachines
biosensors
*experiment
& theory*

INTERNATIONAL ADVISORY BOARD

Jayanth R. Banavar, Pennsylvania State University, USA
Mariusz Jaskólski, Poznan University, POLAND
Christopher M. Johnson, MRC, Cambridge, UK
George D. Rose, Johns Hopkins University, USA

INVITED SPEAKERS

Jasna Brujic, New York University, USA
Jane Clarke, University of Cambridge, Department of Chemistry, UK
Giovanni Dietler, EPFL, SWITZERLAND
Ruxandra Dima, University of Cincinnati, USA
