

Сведения о ведущей организации

Полное и сокращенное наименование в соответствии с уставом	Федеральное государственное автономное образовательное учреждение высшего образования «Национальный исследовательский Томский политехнический университет» ФГАОУ ВО НИ ТПУ, ТПУ
Ведомственная принадлежность	Министерство науки и высшего образования Российской Федерации
Почтовый адрес, телефон организации	634050, Томская область, г. Томск, проспект Ленина, д. 30, +7 (3822) 60-63-33
Адрес электронной почты	tpu@tpu.ru
Адрес официального сайта в сети «Интернет» (при наличии)	https://tpu.ru/
Полное наименование структурного подразделения, составившего отзыв	Исследовательская школа физики высокоэнергетических процессов

Список основных публикаций работников ведущей организации в рецензируемых научных изданиях по теме диссертации за последние 5 лет

1. Vershinina K.Y., Glushkov D.O., Nigay A.G., Yanovsky V.A., Yashutina O.S. Oil-filled cryogels: New approach for storage and utilization of liquid combustible wastes // *Industrial and Engineering Chemistry Research*. – 2019. – Vol. 58, No. 16. – P. 6830–6840.
2. Glushkov D.O., Kuznetsov G.V., Nigay A.G., Yashutina O.S. Heat and mass transfer induced by the ignition of single gel propellant droplets // *Journal of the Energy Institute*. – 2019. – Vol. 92, No. 6. – P. 1944–1955.
3. Glushkov D.O., Kuznetsov G.V., Paushkina K.K. Switching coal-fired thermal power plant to composite fuel for recovering industrial and municipal waste: Combustion characteristics, emissions, and economic effect // *Energies*. – 2020. – Vol. 13, No. 1. – Article no. 259.
4. Glushkov D.O., Paushkina K.K., Shabardin D.P. Co-combustion of coal processing waste, oil refining waste and municipal solid waste: Mechanism, characteristics, emissions // *Chemosphere*. – 2020. – Vol. 240. – Article no. 124892.
